Seniors 1982

Over the summer the Curry Varsity Cheerleaders attended summer camp at Birmingham Southern. After months of hard practice, sweat, and pain, we were finally going to put our "SPIRIT" skills to the test.

We competed in twenty events, and, out of that twenty, we received sixteen excellent ratings, bringing about one of the greatest honors cheerleaders are awarded, a blue ribbon for Overall Excellence.

On the final day of competion, we were chosen to compete in the Grand National Competion, where out of thirty squads we were included in the top five.

Our greatest challenge though came when school started and we were faced with the problem of boosting school spirit. But thanks to the support and leadership of Upperclassmen, pep rallies and games became exciting and uplifting.

We, the Cheerleaders, would like to thank the student body for supporting the Yellow Jackets and making this year the most SPIRITED EVER!

Yearbook Staff is a course that is taken for a half year for a half credit. The 1981-82 yearbook staff is the largest staff ever. Selling more books than any other staff, this group's dedication is apparent in the projects that it undertook. Yearbook staff also won second place in the homecoming display contest. Because of selling ads (Doyle Banks and Greg Oden — top salesman), this year's book is the largest ever compiled.

ADMINISTRATION

Choose your own destiny! The crowd does not choose wisely; that's why those who do choose wisely are so far ahead of the crowd. It is my sincere hope and desire that each of you has acquired the necessary skills and tools to make the right decisions that come up in your lifetime; in short, the ability to choose wisely.

From time to time, all of us make mistakes. We should always profit from past mistakes and errors. This is sometimes the best teacher we have, the teacher of life and reality. I think a good approach is to start each day with the following slogan: 'TODAY IS THE FIRST DAY OF THE REST OF MY LIFE.'' Since most mistakes cannot be undone, such a philosophy allows us new opportunities to choose wisely and make up for past mistakes.

May God bless you, and I wish each of you the best of luck.

Benny S. Rowe

We, as administration and faculty, sincerely hope that have set examples and presented challenges that will impr you as a person and also make you a better citizen.
